

URGENT!!!!!!!!!!

LPFM stations will adversely affect my local "AIR 1" radio station.

Any disruption in transmission of the AIR 1 translators in my area is unacceptable and will adversely affect my local community. I receive AIR 1 on three different translators in Southern California. At home I hear it on 89.5, on my drive to work I hear it on 89.7, and at work I listen on 90.1.

Air 1 is focused on using today's best Christian music to spread the message of Jesus Christ to the world. They are a non-profit ministry, relying on donations from listeners like me to keep the airwaves filled with something positive and uplifting. They provide 24 hour counseling to anyone in need.

Unlike most other radio stations in our area, AIR 1 is acceptable for the whole family to listen to. I believe they provide a wholesome and beneficial public service that no other radio station can. This world we live in is out of control! SEX, SUICIDE, DRUGS, ALCOHOL, and VIOLENCE are all around us, in our neighborhoods, on television and on the radio. The garbage the world produces is causing this generation to go down the tubes. AIR 1 is committed to countering all this and more.

Please do not let LPFM station interfere with my local AIR 1 radio stations!

Thanks for your attention,
David McAllister
